## ABOUT ME

I am 20-years-old computer engineering student. My passion for coding led me to teach myself programming. I am focusing on developing skills in machine learning, data science, and artificial intelligence. While I'm still in the early stages, I'm committed to continuous learning and growth in these fields.

## EDUCATION

2024- Present	Düzce University- Computer Engineering (english)
2023- 2024	Düzce Hakime Erciyes School of Foreign Languages - English
2022 - 2022	Instituto Politécnico de Santarém Portugal (Erasmus)
2018- 2022	Kanuni Vocational and Technical High School (Kanuni Mesleki ve Teknik Anadolu Lisesi)

## PROJECTS

2023-2024 Python	<b>Word App</b> An application to help me track unknown English words. The app has four main features: My lists, translation, practicing and grammar correction:
2024 - 2024 Python	<b>Ai-Powered Translation</b> This is an AI-powered translation and OCR (Optical Character Recognition) application. The application allows users to translate texts, ask questions to the AI, and extract text from images. I used Google Gemini Api in order to use Ai. It is developed for education
2024 - 2025 Html Css Javascript	<b>Personal Portfolio Website</b> An application to help me track unknown English words. The app has four main features: My lists, translation, practicing and grammar correction:

## LANGUAGES

- Turkish – Native
- English – B2 (Upper-Intermediate)

## SKILLS

- Python
- C++
- Git-Github
- Linux
- Wordpress
- Html CSS
- Javascript
- MS Office

## CERTIFICATES

[I've gathered all my certificates in this link.](#)
